

NEW 911 SIGNS

Town of Harmony residents will soon be seeing new 911 signs being installed. Lange Enterprises will begin replacing 911 signs installed before 2007 the week of April 13th. The new signs will be two-sided, red, flag-style signs that meet the new federal reflectivity standards. Old signs and posts will be removed unless they are attached to trees, mailboxes, decorative poles, etc... The new signs will be placed following Rock County guidelines and may not be in the same location as the previous sign. The project is expected to be completed in approximately one month. If you have any questions, please contact the town clerk, Lisa Tollefson, at 608-868-6065 or townclerk@townofharmony.com.
