## **TOWN OF HARMONY NOTICE OF PUBLIC HEARING**

PLEASE TAKE NOTICE that a public hearing will be held before the Town Board and the Planning and Zoning Committee of the Town of Harmony at the regularly scheduled Town Board meeting scheduled for Monday, April 4, 2016, at 7:00 p.m. at the Harmony Town Hall, 440 N Highway 14, Janesville, WI. The purpose of this public hearing will be to hear public comment on an application to modify the existing Conditional Use Permit for the operation of a facility for the evacuation, stripping and removal of topsoil, sand, gravel, stone and other natural material and the crushing and washing thereof for a commercial enterprise in the north half of Section 2 of the Town, adjacent to Milton-Harmony Town Line Road and Milton-Shopiere Road. The proposed modification would result in the splitting of the current permit into two permits, one for a parcel now owned by Rock Road, Inc., and formerly owned by Frank Family LLC, and the second for a parcel owned by Frank Management, Inc., with the operations on both parcels to be operated by Frank Bros., Inc. The proposed modification may also result in changes in the conditions of the permit(s), including changes relating to the nature of the operation, placement of berms and screening and the hours of operation, among other things.

All persons having an interest in the proposed revisions to the Conditional Use Permit are encouraged to attend this meeting and offer their comments.
